Part 1:

Do you like **fishing**?

Absolutely not... I... I hate it. I would never do anything like that. And... actually... I think there's nothing particularly exceptional about my... attitude. I think that the vast majority of peoplenever go fishing. Of course some people love it - I know.

But personally, the idea of killing something for fun... is not something that I... mnn... would like to do. I find it a very distasteful idea.
