5. do not repeat subject words from question (usually!)
6. stress
7. every word clear
8. thoughtful

Part 1:

Do people in your country often send flowers to others?

Part 1:

Do people in your country often send flowers to others?

to be honest... I have absolutely no idea

I am sure that I don't...

I think that unfortunately... they're quite expensive...

I remember I gave my mum some once...

but I suppose it must have been several years ago now...
