

IELTS Speaking

do not use key word(s) from question

Practice: Part 1.5

Paul Winterbottom

Part 1:

GOAL: do not use the key word(s) from the question in your answer:

Use pronouns / unnecessary to repeat (understood from context) / different vocabulary

Part 1:

Did you learn anything about **space and the stars** when you were at **school**?

Part 1:

Did you learn anything about **space and the stars** when you were at **school**?

Well, to be honest... it's difficult for me to remember... I guess I must have learned something... but I don't really... I don't really remember anything particular.

I... my main subjects were on the arts side, not sciences... so... I don't think I learned anything in any detail.

“space and the stars” and “school” NOT used

Part 1:

What is your **favourite place**?

Well, to be honest, I don't have one. But ...if I had to pick one... I... I think I would say London. I really enjoy being in a big city... I like the atmosphere. There's so much to do... so probably I would choose London.

“favourite place” NOT used
