Part 2: Question

Describe **a person** who helps to protect the environment

You should say:

- who this person is
- when this person does this
- what this person has done

and explain why you think this person does this

Part 2:

1. neighbour: lives in my community

Part 2:

1. neighbour: lives in my community
2. picks up rubbish that people have dropped
3. every Saturday morning – even when cold and raining
4. thinks it is important for each person to contribute something

Part 2:

I am going to tell you about a neighbour of mine – he lives in my community – quite near to me – and his English name is David.

Actually... I don't remember exactly when I met him for the first time... I suppose it must have been about 10 years ago... something like that... maybe a bit longer... I clearly remember that I had not started high school... (so it cannot have been less than 9 years ago)
