Part 1:

Have you ever borrowed books from others?

Part 1:

Have you ever borrowed books from others?

Part 1:

Have you ever borrowed books from others?

yes... I have... but not very often

actually... I suppose... the last time must have been... about 3 or 4 years ago... when I was at university... I occasionally borrowed some course books... to save money...

they are really expensive...

but nowadays... I would much rather buy my own... so I don't

Part 1:

Have you ever borrowed books from others?

yes... I have... but not very often

actually... I suppose... the last time must have been... about 3 or 4 years ago... when I was at university... at that time I did... occasionally ... to save money...

those text books were really expensive... and I was just a student...

but nowadays... to be honest... I would much rather buy my own... so I don't
