Reflection

So.. when we left the restaurant – I think it must have been about half past 9 – or.. or something like that... quite early because Janet said she had to get up very early the next day...

I felt that I had had a really enjoyable evening.. even though it was quite short... the others said that they had enjoyed it very much too –

I wish we had been able to spend another couple of hours together –

and I'm sure that if we had been able to, it would have been even better.. we would have had a lot to still talk about..

but it was still good... and I have very pleasant memories of the experience...
